New York telegrams yesterday gave very spot market, although prices were not firm condition which ruled until the closing CORNMEAL—No demand; \$3 6563 70 in small lots from store.

FRUTTS—Oranges, \$6 5067 a box and scarce. Lemons, \$9610 per box. Coccanute, new, \$5696 a hundred. Pennuts, Virginia, hand-picked, 8½c; Tennessee red, 6664c; white, 7½c; roasted, 2½c higher; shelled, 7684c. Almonds, 22c and scarce. Texas Percentage of the control our. Sales fell off considerably, from which gree as to values.
The New York future market was also firm and steady throughout the day, opening on an advance which continued to add to values until noon, when a slight reaction occurred in near months, which lost 2 to 4 points. About the same decline occurred on the first call afternoon, confined as before on near months. On the next call the heft of the decline was changed to distant deliv-eries, but 1 point being dipped from the three near months. At the close the decline was checked and an advance of 3 to 4 points and firm.

Applies in store, Northern,

No, thank you, Charley; the APPEAL has not drank anything for more than a year-not paid for St. Louis folks talk about "cold and raw" weather Tuesday. If they could have had a little of this summer stuff we have been sweltering in since last April to mix along

with theirs it would have toned the condition up to somewhere among the eighties.

The Cincinnati Commercial says that President Daley and Secretary Miller, of the Southern Transportation Line, have gone to St. Louis to confer with President Scudder, of the Anchor Line, relative to freight rates and other matters of interest to their respective of the constantly increasing popularity and demand for the celebrated ARROW TIE, the universally recognized favorite the Means Swift's S. Specific, which has never been known to fall to cure any case, no matter in what stage or how long standing. It is as its name that the celebrated ARROW TIE, the universally recognized favorite the Combany, of New York, sole proprietors and matter in what stage or how long standing. It is as its name that the celebrated ARROW TIE, the universally recognized favorite the Combany, of New York, sole proprietors and matter in what stage or how long standing. It is as its name that the celebrated ARROW TIE, the universally recognized favorite the celebrated ARROW TIE, the universally recognized favorite the decomb Tie company, of New York, sole proprietors and matter in what stage or how long standing. It is as its name that the celebrated ARROW TIE, the universally recognized favorite the company of New York, sole proprietors and matter of proprietors and matter of proprie family, \$6 25@6 60; choice, \$7@7 40; and steady. Ginghams and dress goods in fancy, \$7 75@8 25; fancy patents, \$8 50 (@9 50. Store prices 25c higher. the Anchor Line, relative to freight rates and other matters of interest to their respective lines.

Arthur Hall, engineer on the steamer Chattanooga, was severely scalded in the lower portions of his body last week by a lower portions of his body last week by a lower form one of the safety value.

Implies, a warranted Specific for Syphilis, Mercurial Bhoumatism and all Blood Poison. If you are skepticed about this and hesitate to invest your market price, in bundles complete, it beindies community, and dely all competition that may erise. The buckles are now secured to the band, thus preventing the loss of same in ship-line, and making a stronger Tie.
